

# WELCOME TO SUMMER CAMP 2010

Your child will have a great time learning about horses with our knowledgeable, experienced counselors.

**Sessions run Monday through Thursday from 9:00 AM to 3:00 PM  
Friday 9:00 AM to 1:00 PM Pizza Party and Horse Show**

Parents are encouraged to discuss basic safety rules with their children before camp.  
Horses are large and unpredictable, therefore:

- There is no running or shouting around the horses.
- You should pay attention to your horse and what's around you.
- No chewing gum or candy while riding.
- ASTM approved riding helmets are required while around the horses.
- Wear shoes or boots with a heel and long pants.

Canada Larga Stables camp counselors are here to help your children learn.  
We welcome your child's questions and participation.

Please ask your child to write some questions about horses on the back of your registration form or include a separate page so that we may integrate his or her questions into our lesson plans. We prefer to make camp a personal and rewarding experience for each individual camper.
